

# A MAD LOOK AT

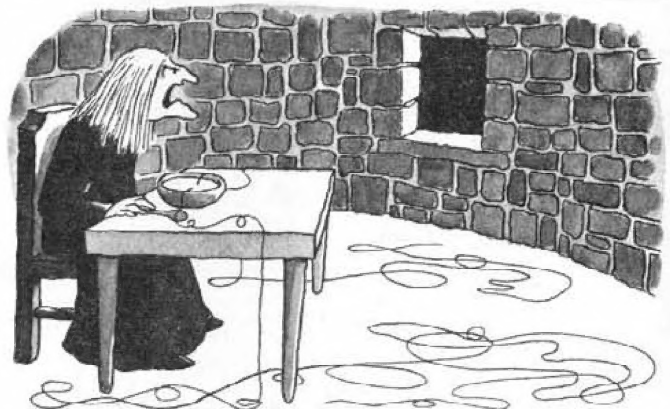

# RAPUNZEL

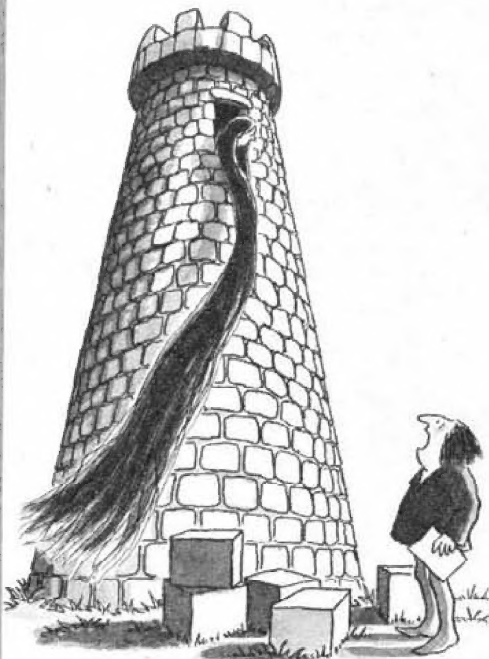

"First knock off about forty pounds . . .  
THEN I'll let down my hair!"

"I don't believe you've ever met my Father!"

"Rapunzel! There's a hair in my soup!"

"You the lady who ordered 48 dozen curlers?"

"I don't know if I can go on with this  
climbing-up-the-hair routine much longer!"

# ZEL

"Well, if you'd only break down and buy a **ladder**, I wouldn't **HAVE** split ends!"

"Don't deny it, Rapunzel! There's **someone else**, isn't there?"

"Actually, Rapunzel, I think I prefer it **natural**!"

"I didn't say '**CHAIR**!' I said '**HAIR**!'"
